MORE COLORS!

The kindergarteners have been working hard to learn different colors this week. We have learned some new songs to help us practice spelling the color words. Thank you to all of the parents for helping to dress your child in themed colors as well as bringing in items from home. It has been a fun week!

In math we are working hard on counting and writing the numbers "1" and "2." We are drawing scenes with pictures of two and three objects and making our own "Counting Books!" Please help your child practice these things at home by counting out different items together (examples: dinner plates, Cheerios, toy cars, keys, etc.)

SNACKS!

We are running low! Every afternoon the kindergarteners enjoy a snack and milk. The school provides milk and the snacks are donated by parents. If you are able, please send some type of snack to school with your child once per month. We prefer "healthier" snacks such as crackers, fruit snacks, etc. Goldfish crackers are a big hit! Your help is very much appreciated!

MARK YOUR CALENDAR!

- October 5th-Parent Conference
Letter Due
- October 9th-All School
