### COLORS!

We will be learning about colors for the next two weeks in kindergarten. Please help your kindergartner dress in something each day that matches the color of that day...our color days are listed below. We would also like to make a collage each day of color objects, and it would be wonderful to have each kindergartner bring in one appropriate object for each color (i.e. a bead, block, or candy wrapper) in that day's color. These items will also double as our sharing topics for next week. Over the weekend, start collecting objects to be brought to school over the course of the next two weeks, discuss favorite colors, and read a favorite book about colors!

Monday, Sept. 21	Red
Tuesday, Sept. 22	Orange
Wednesday, Sept. 23	Yellow
Thursday, Sept. 24	Green
Friday, Sept. 25	Blue
Monday, Sept. 28	Purple
Tuesday, Sept. 29	Black
Wednesday, Sept. 30	White
Thursday, Sept. 31	Brown
Friday, Oct. 1	Pink

### WEBSTER MOVIE NIGHT

Please join us at 7:00 on Monday, September 21<sup>st</sup> at the Plaza movie theater for a special L.C. Webster event. We will be watching Disney-Pixar's movie UP. Tickets are \$2.00, and the Plaza will donate **all** money from ticket sales to the L.C. Webster PTO. They will contribute a portion of the concessions sales to the PTO as well. We hope to see you there!

### MARK YOUR CALENDAR!

We have a field trip coming up on October 14<sup>th</sup> to the Afton Apple Orchard. More information will be coming soon. Please be prepared to pay between \$7.00 and \$8.00 for your kindergartner to attend, and we will be looking for MANY parent volunteers to go with us!
