COLORS!

We have been learning about colors this week in kindergarten. Please help your kindergartner continue to dress in something each day that matches the color of that day...our color days are listed below. We have also been creating a collage each day of color objects, and it would be wonderful to have each kindergartner bring in one appropriate object for each color (i.e. a bead, block, or candy wrapper) in that day's color. These items will also double as our sharing topics for the week. Over the weekend, start collecting objects to be brought to school next week, discuss favorite colors, and read a favorite book about colors!

Monday, Sept. 28	Purple
Tuesday, Sept. 29	Black
Wednesday, Sept. 30	White
Thursday, Sept. 31	Brown
Friday, Oct. 1	Pink
