Dates to Remember:

November 25-27 NO SCHOOL –
Thanksgiving Holiday

December 4 NO SCHOOL, K-5
Staff Development

Lucky Pup:
This week: Jin
Next week: Heidi

Homework is due next Friday!

I have been assessing the students' reading and I am so pleased with all of their progress. I can't remember having a group that was reading this well overall so early in the year! Be sure and thank your child's kindergarten teacher and be proud of the work you have done at home.

No health or dental insurance? There are two programs that may help:
Pediatric Dental Care: The Care Mobile will be at Face to Face Clinic at 1165 Maryland Ave. (Arcade and Maryland, east side of St. Paul) Wednesday, November 4th & Monday, November 9th from 10-4 each day. Cost is \$25 or whatever client can afford to pay.

Eye Exams/Glasses: Lens Crafters is looking for children with **no health insurance** who need glasses or need an eye exam. They offer these services for free on certain days of the week, and then for something called "Hometown Days" which is on Dec. 2nd

Call or email me if you need more information.
