November 9-13

Monday: (Day 6)

We continue to work with our reading partners by helping each other with reading strategies. We will begin a new unit in writer's workshop today. We will begin another new unit in health.

Specialist: Music

Tuesday: (Day 1)

We learn how to subtract by using pictures and the minus sign. As writers we will look at text to see if it is readable or unreadable writing.

Specialist: Phy-Ed

Wednesday: (Day 2)

Today is our Webster Veteran's Day all school assembly. Wear Red! Please remember your Webster C.A.R.E.S. We will have many special guests visiting Webster today.

Specialist: Reading Academy

Thursday: (Day 3)

Today is Library Day! As readers we will practice going back when we are stuck on a tricky word. We will have a special guest come to first grade today to do a fun activity with us. In writer's workshop we continue to write more and write more clearly. We will review; stretching out words, using the word wall, using spaces in between our words.

Specialist: Music

Friday: (Day 4)

We will have first grade assembly. We will continue to work on different strategies for subtracting in math. We will talk about using punctuation in our stories.

Specialist: Phy-Ed

Homework in First Grade

Thank You for helping your child each week with his/her homework. All homework is **due on Fridays.**

Thank you for supporting your child's at-home reading. Remember to record one book each night. The reading logs should stay in their book envelopes.
