## A MESSAGE FROM MRS. PALODICHUK.....

It is hard to believe that the first Trimester of school has come to a close. The students have worked extremely hard and have accomplished so many wonderful things. None of it would be possible without the dedicated staff and families that make up the Webster Community. As always, encourage your child to read every day after school, work on mastering basic math skills and keep up with their homework. Your efforts in establishing homework routines and communicating the importance of positive study habits, plus the love of learning, are greatly appreciated by our staff.

On December 12 CLIMB Theater will be at Webster. The theme of the performance will be “self control.” The actors will perform skits that emphasize self control and offer students skills, strategies and techniques when feeling frustrated and how to handle these emotions. Self control is part of Webster’s C.A.R.E.S. which reinforces positive social behavior.

(Continued from Page 1)

Now that the weather is colder, please be sure your child is dressed to stay warm. Students will go outside for recess daily unless the temperature is below 0, severe wind-chill or rain.

Riding the school bus is a privilege so it is extremely important that students continue to ride the bus safely and follow the bus expectations. If bus safety expectations are not met and become an ongoing concern students can be suspended off the bus for 3 days. If your child rides the bus to or from school please revisit with them the importance of being a safe bus rider!

Respectfully,

*Mrs. Palodichuk*

## HOLIDAY SHOPPE – 2007

Thursday, December 13<sup>th</sup> & Friday, December 14<sup>th</sup>  
(Students will be notified of their shopping day.)

The Holiday Shoppe is a service that is put on by the Webster PTO. Students may buy gifts for their parents, grandparents, brothers, sisters, relatives, friends, or other special people: all in the convenience and safety of our school setting. Some items this year include ornaments, music, toys, plush animals, jewelry, candles, tools, gift sets, and many one of a kind gifts. (All items are limited in quantity.) Prices range, for most items, between \$0.75 and \$8.00. Volunteers will help students shop, wrap, label, and package their presents for easy transportation home...ready for your family holiday celebrations!

### ATTENTION PARENTS:

Since shopping time is limited, we ask that you help **prepare a list** of the people your child will be buying gifts for and send it with your child (along with money) on his/her shopping day. This will enable our volunteers to better help your child to make his/her purchases. **THANKS!**
