Principal's News

Dear Webster Families:

On Tuesday we held our Veterans' Day program. The program began with the North St. Paul VFW honor guard presenting the colors. The children sang songs and shared poems thanking our Veterans. Our visiting Veterans each had the opportunity to tell us who they were, how many years they had served or are currently serving and the branch of the military they were in. Our students were attentive, participated and showed great respect for the Veterans and the event.

We had 25% of our families complete the parent climate survey. Webster uses the information and feedback to reflect on our daily practices. It is extremely important to us that the students at Webster feel a sense of belonging, make connections with peers and adults, are engaged in the learning process and making academic progress daily. Many teachers have commented on the growth they are currently seeing in their students. If you feel your student is currently struggling with some aspect of learning or falling behind please contact his/her teacher to discuss in detail what needs to be done to get back on track. Educating your child is a joint responsibility between home and school and as teachers we want to do everything in our power to support your child's education.

Much gratitude should be extended to our Webster PTO. They are working all year round to support Webster in community building activities, organizing events, fundraising, volunteering and managing funds. We truly appreciate their commitment to offering an enriching school experience for all of our students. A special thank you to: Jason Stenman, Ms. Katie Lewandowski & Mrs. Amy McGuire PTO Presidents, Karen & Cedric Long Treasurers, Paige Lincoln Secretary and Linda Plan & Pam Simanski Fundraising.

We hope to see you tonight at our Family Math Night!!

Sincerely,

Sara Palodichuk
Principal

Webster Mission

Webster is a community collaborative dedicated to educating and empowering all learners to excel in our changing world.

Webster Vision

Every L.C. Webster student will be held to rigorous standards preparing them to meet district and state grade level outcomes.

From the Health Office:
 Lens Crafters is looking for children with **no health insurance** who need glasses or need an eye exam. These services are offered for free. If you know of any students that meet these criteria, please call the Webster Health Office at 651-748-7115 or 651-748-7116 and they will help you schedule an appointment.
